Recreatives Industries, Inc

All-Terrain Vehicles For Rough Areas

Six-wheel-drive, amphibious "All-Terrain Vehicles" go into areas unreachable by conventional vehicles, says the company. Designed for off-road travel and used by oil companies, construction firms, government, and military units, these two- and four-passenger vehicles are also used for hunting and fishing. The vehicles travel about 8 km/hour in water and about 40 km/hour on land. PRICE: From \$5,080. Distributors are sought.
